(*b*) Yes. The President of the Society first requested Government to consider the feasibility of taking over the concern as a whole and merging it with the Public Branch. Later, a deputation waited on the Dewan as per Resolution of their General Body and suggested that Government may confine their activities to Policies of Rs. 1,000 and above. This was not, however, accepted by Government. But Government agreed to take over the business of the society, as originally requested, under certain conditions.

MR. S. CHATTANATHA KARAYALAR (*Shencotta*): Did the Travancore Co-operative Insurance Society complain that their business had been affected by the Government opening the public branch of the State Life Insurance?

RAO BAHADUR A. RENGASWAMI AIYAR (*Financial Secretary to Government*): Beyond what has been detailed in the answer, there has been no further complaint from the society.

MR. S. CHATTANATHA KARAYALAR (*Shencotta*): What I want to know is whether originally it was the complaint of the society that their business had been affected by the Government opening a public branch of the State Life Insurance.

RAO BAHADUR A. RENGASWAMI AIYAR (*Financial Secretary to Government*): When the Government started the public branch of their insurance, this society raised objection to it. Afterwards they waited upon the Dewan—as is explained in the answer here—and the Government gave them the assurance that they would buy over the business of the society subject to certain conditions. Government have not heard from them since.

MR. S. CHATTANATHA KARAYALAR (*Shencotta*): May I know whether it is the policy of Government to discourage co-operative insurance?

RAO BAHADUR A. RENGASWAMI AIYAR (*Financial Secretary to Government*): No.

MR. K. R. ELENKATH (*Kalkulam I*): Are the Government aware that the working of the Co-operative Insurance Society has suffered on account of the Government opening the public branch of the State Life Insurance?
